**RE: Submittal for MTD Approval of the
R-Tank Treatment/Maintenance Row**

Dear Mr. Cooper:

We are pleased to submit the Manufactured Treatment Device (MTD) Registration Form and supporting documentation for the R-Tank Treatment/Maintenance Row in accordance with the Guidance Memo Number 14-2009 titled "Interim Use of Stormwater Manufactured Treatment Devices (MTDs).

Specifically, the documents submitted provide descriptive information of the R-Tank Treatment/Maintenance and pollutant removal performance testing according to ASTM C1746. This data is equivalent to TSS removal technology already reviewed by the department and we hereby ask to receive a TP removal efficiency of at least 20% from the Department and posting on the Virginia Stormwater Clearinghouse website.

We thank you for your time and consideration and look forward to your submittal review.

Respectfully,
