RE: Submittal for BMP Approval of the StormGarden™ Biofiltration System per Guidance Memo No. GM21-2006-Use of Stormwater Proprietary Best Management Practices to Meet Virginia Stormwater Management Program Technical Criteria for Water Quality Compliance

Dear Mr. Cooper,

I am submitting the StormGarden™ Biofiltration System for approval in accordance to Virginia Guidance Memo No. GM21-2006. I am requesting that the StormGarden™ be evaluated for and assigned a TP removal rate greater than 50% as described in the attached Washington TAPE certification report and TER. I have included the required supporting documentation for your review which is listed below.

I thank you for your time and consideration and look forward to your review of the StormGarden™ Biofiltration System. Please feel free to contact me regarding any questions you may have.

Sincerely,
